### **PrinsBank acquires Access Bank**

On Friday, May 7, 2010, PrinsBank, of Prinsburg, Minnesota announced its acquisition of the assets and deposits of Access Bank, based in Champlin, Minnesota from the Federal Deposit Insurance Corporation (FDIC), effective immediately.

“We welcome the customers and employees of Access Bank to the PrinsBank family. We are committed to making this a smooth transition for all and are ready to provide professional service with a personal touch,” said Mike Mulder, President of PrinsBank. “The customers can feel confident that the FDIC-insured deposits are safe and secure,” he said. Former Access Bank offices will be open during their normal business hours and will operate as PrinsBank offices going forward.

PrinsBank was established in 1916, serving the west central Minnesota area. PrinsBank strongly believes in supporting small-town communities and is committed to assisting schools, churches and other organizations located in these communities.
